

Supporting The Project Is Easy!

Since 1992, the Project has served hundred of students in an intimate and hands-on setting. We are actively seeking to strengthen our donor base to include additional individuals who share our concern and enthusiasm for youth. Working together, we can continue to make a difference - providing a role model for the community, and an active, positive force in the lives of struggling kids.

Your gift of just \$100 helps to feed one student in our week long summer arts camp. \$250 supports a student in a ten week creative writing program. Please feel free to contact us, so you can learn how larger gifts will help support the costs of providing additional after-school arts and enrichment programs to more students.

Your contribution will help the Project enroll more students in our arts and academic programs!
